DINGHYGO

the inflatable sailboat

www.x.com/dinghygo

www.youtube.com/dinghygo

Maximum sailing fun

3 in 1: sail, row or use outboard engine

Convenient to take along

2 compact bags in car, caravan, camper or yacht

Spacious, comfortable and safe

1- 5 persons, air cushion and high stability

Easy to use

kick-up rudder and sailing rig with reefing function

DinghyGo, the inflatable sailboat, provides three boats in one!

Not only is it possible to sail or row comfortably, it is also possible to use an outboard engine. It doesn't matter whether you're going to France by car, staying near water or if you live in a tall apartment building; there is always room for your DinghyGo. Stowed away in two compact bags, DinghyGo can easily come with you in your car boot, inside your caravan or camper or on board of your yacht.

When you arrive at your destination, you only need to fold out, pump up and rig your DinghyGo to take it out on the water.

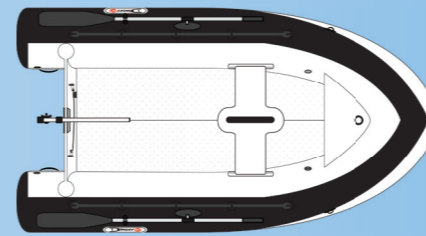

The compact 7'5" Nomad 230 version is ideal when the available space is limited. The Orca 280 provides room for a family of four with its 9'2" in length. The 10'7" large Orca 325 model equipped with an 60 sq.ft sail fits the sporty sailor very well. The extra large Orca 375 even provides room for 6 persons and is equipped with a jib for active participation. The Orca sailing rigs include shrouds and an adjustable boom height reefing function. Whether you're a beginner or experienced sailor, DinghyGo feels like a robust sailing dinghy and is fun and easy to control in all weather conditions.

The sail is easy to use singlehanded. You can sail as close-hauled as you would like with the unique daggerboard and kick-up rudder. The high level of buoyancy of the tubes and high-pressure floor provides unprecedented stability, comfort and safety. The thwart can be removed and the daggerboard case can be rolled up for maximum space when using an outboard engine.

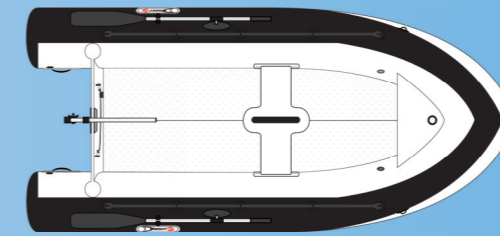

In short, the versatility and portability make DinghyGo the most fun, coolest and dexterous sailing dinghy and tender for the whole family.

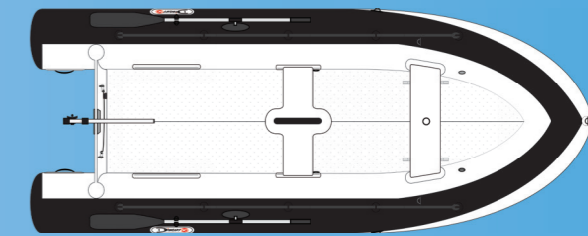

Orca 280

Orca 325

Orca 375

Boat package
Tow & lift eyes (6)
Pump (manual)
Repair-kit
